1 credit equals 1 use. Every time the AI generates a response (i.e. you push the “submit” or “test” button to run your Pickaxe), you use one credit.

Hey 🙌 There are countless AI agency ideas out there – but which ones truly fit *your* strengths and skills?

In this short process, we’ll uncover your strengths and match them to **3 clear, monetizable AI agency ideas** – each paired with a **chatbot concept** you could realistically launch in about **10 days**.

Ready to begin? 🚀 Just reply **"Yes"** to start.

What would you like to talk about?

Step 7: Click “Sign out” when done

The screenshot shows the user interface of the AI Agency Finder chatbot. On the left, there is a navigation menu with three items: 'AOAI Fast Track Prog...' with a hamburger menu icon, 'Home' with a document icon, and 'AI Agency Finder chatbot' with a colorful icon. The main content area features a circular logo with abstract shapes in blue, orange, and green. Below the logo, the text 'AI Agency Finder chatbot' is displayed. A chat message from the bot is shown, starting with a hammer icon and the text: 'Hey 🙌 There are countless AI agency ideas out there – but which ones truly fit your strengths and skills? In this short process, we’ll uncover your strengths and match them to **3 clear, monetizable AI agency ideas** – each paired with a **chatbot concept** you could realistically launch in about **10 days**. **Ready to begin?** 🚀 Just reply "Yes" to start.' Below the message is a copy icon. At the bottom, there is a text input field with the placeholder text 'What would you like to talk about?' and a send button. In the top right corner, there is a user profile icon, a '90' credit indicator, and an 'Upgrade' button. A dropdown menu is open, showing options: '90 credits left', 'Account settings', 'About', and 'Sign out'. The 'Sign out' option is highlighted with a red rectangular border.

The image features a teal background with a pattern of wavy, concentric lines in a slightly darker shade of teal. The lines are more densely packed in the center and become more widely spaced towards the edges, creating a sense of depth and movement. The overall effect is reminiscent of a topographical map or a stylized water pattern. In the center of the image, the words "Thank You!" are written in a bold, white, sans-serif font. The text is centered both horizontally and vertically, making it the focal point of the design. The background has rounded corners, and there are some faint, light-colored lines extending from the left and right sides, suggesting a layered or 3D effect.

Thank You!
