## Memi AI Login Method 2

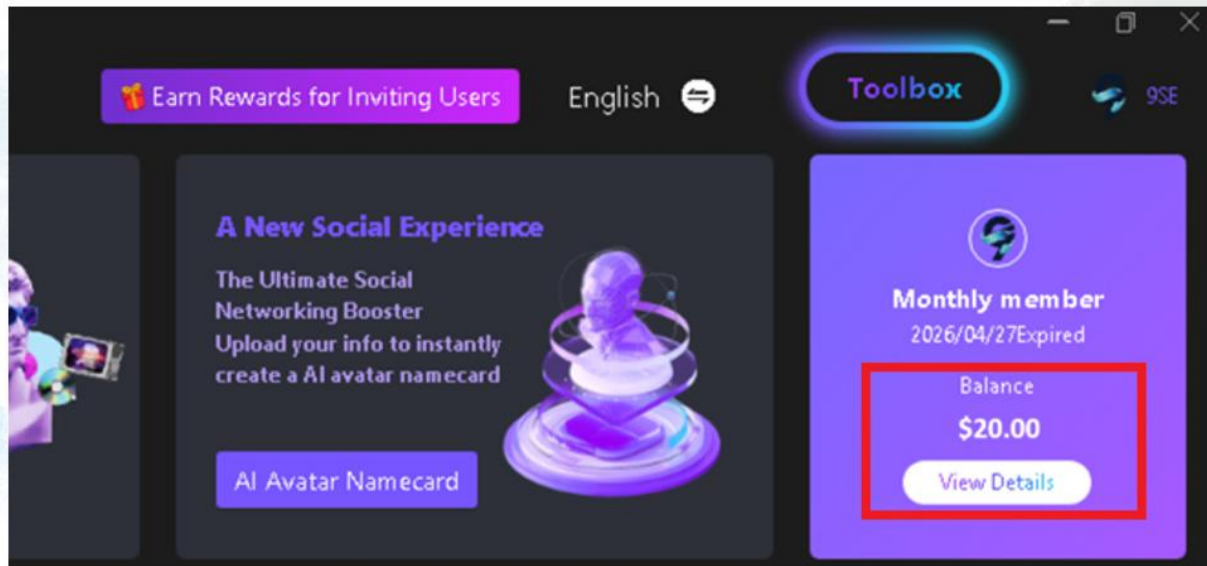

The screenshot shows the Memi AI login interface. On the left, there is a purple sidebar with the Memi logo and the text "Assist enterprises Short video marketing". Below this, there are several bullet points: "1000+ premium templates, updated regularly", "100+ AI Avatar models", "Clone your own AI avatar", "Commercial license included for safe use", and "Cloud storage with anytime editing". The main area is dark grey and contains two tabs: "Phone Login" and "Password Login". The "Password Login" tab is selected and highlighted with a red box. Below the tabs, there are three input fields: a phone number field containing "97896698+65" (highlighted with a red box), a password field with masked characters "\*\*\*\*\*", and a verification code field containing "2246" (highlighted with a red box). To the right of the verification code field is a small image of a verification code "2246" with a red box around it. Below the input fields is a blue "Sign In" button. At the bottom, there are two checkboxes: "By registering, you agree to the User Agreement" (checked) and "I agree to receive text message" (unchecked).

1. Once your account is registered, you can login using Password Login for your future login
2. This method cut down on the step of receiving & checking on OTP
